NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. (ii) Indents for less than 100 spare copies should not be sent to the Press, subject to the exceptions contained in G. O. (iii) The Government will not make any extra demand for lands assigned from occupation and the lessee shall not be entitled to any rebate on account of land taken up for cultivation during the currency of the lease.

(iv) The lessee shall not interfere with any operation such as planting, sowing, thinning, felling or any work of construct, repair or maintenance, etc., that any department of Government may wish to conduct in the leased area. Should any damage be caused to the Tangadi and Kakke bark by such operations he shall not be entitled to any compensation.

(a) Excludes the bark grown in the limits of the undermentioned Villages—

1 Musuvinakoppa
2 Kambadahalli
3 Dravanahalli
4 Halikunte

2. The auction will commence at 2 P.M. and if it is not concluded on the same day, will be continued from day-to-day at the same hour until concluded.

3. Defaulters on account of previous leases will not be permitted to bid.

4. No person will be allowed to bid unless he (1) produces a certificate from the Amildar of the Taluk in which he resides in the form prescribed by Government, in regard to his solvency and its extent, or an exchange certificate as provided for in clause 6, and (2) deposits also with the officer holding the sale a sum of Rs. 200 which must, except under unavoidable circumstances, be in the form of cash or currency notes.

5. Bidders who are not residents of Mysore State and who do not possess unencumbered property in Mysore State at least to the extent of the estimated value of the lease units for which they intend bidding should, before they are allowed to bid, either deposit with the officer conducting the sale half the estimated amount of the lease, to the nearest hundred rupees as earnest money or they should produce a local surety fully solvent to the extent of the highest bid likely to be had at the conclusion of the sale. The bond to be taken from the surety should be on a stamp paper, the stamp payable being governed by the provisions of the Stamp Act. In cases where the foreign bidders deposit half the estimated amount of the lease, the usual deposit of Rs. 200 is unnecessary, and in cases where they produce a local surety the usual deposit of Rs. 200 should also be recovered from them. In the former case the remain-

the period covered by the lease in two equal quarterly instalments, when the lease is for one year and in two equal half-yearly instalments, when the lease is for two years.

6. The highest bidder shall deliver his solvency certificate to the officer conducting the sale and get in exchange, if he so desires, a certificate signed by the latter which will be sufficient authority for him to bid at auction sale in any one of the remaining divisions. This exchange certificate shall be delivered to the officer conducting the sale; and in case the party named therein happens to be the highest bidder again, he may obtain in lieu thereof, if he so wishes a fresh exchange certificate for his further use. The exchange certificate will contain all the particulars found in the Amildar's certificate and in addition, details of purchases made in the sales of other divisions as well as in the one, in which the exchange certificate is granted. The deposits of unsuccessful bidders will be returned immediately after the sale.

7. The exclusive right of collecting and removing the produce above described will be disposed of to the highest bidder, subject to the confirmation of the Chief Conservator of Forests who at his discretion, may accept or reject the highest or any other bid, without assigning any reason therefor.

8. The highest bidder shall immediately after the close of the sale, credit into the Government Treasury, one-quarter of the total sale amount including the deposit already made together with the local, railway and other cesses, if any, on the full lease amount at the rate prevailing in the District. In default, the deposit already made will be forfeited and the right resold. Such resales will be at the risk of the defaulting purchaser who will be liable to make good any loss that may result to Government by the resale, but will have no claim to any surplus accruing therefrom. Such losses shall be recoverable as an arrear of land revenue.

9. If the sale is not confirmed by the authority concerned, all moneys paid will be refunded to the party. In case the sale is not confirmed in the name of the highest bidder, the next highest bidder may be called upon to take up the lease and in that case he shall abide by all the conditions prescribed herein for the highest bidder. The security deposits of the next highest bidders will be retained until the confirmation of the sales is decided.

10. Within fifteen days of the intimation of the confirmation of the sale, the successful bidder shall execute a separate agreement at one for each unit with one or more sureties to the satisfaction of the District Forest Officer of the District concerned, on a stamped paper of the value of ten annas procured at his own cost, and also furnish security deposit of Rs. 500 or one-quarter of the sale amount whichever is less, for each unit, for the due fulfilment of the conditions of the contract in the shape of Government Savings Bank Deposit. Recovery of the security deposit will be waived if the full sale amount together with cesses is paid in advance. In default either to execute the agreement with the necessary sureties or to furnish the required security or both, the contract will be cancelled, all moneys already paid forfeited to Government and the right resold at the defaulter's risk. He shall have no claim to any surplus accruing from such resale, but shall be liable for the loss arising therefrom which will be recovered as an arrear of land revenue under Section 79 of the Mysore Forest Act. After executing the agreement and furnishing the security, the successful bidder shall, before entering on the collection of the bark, obtain from the District Forest Officer a permit in the prescribed form authorising him to commence the bark collection.

NOTE.—(1) The solvency and the respectability of the sureties should be proved to the satisfactions of the District Forest Officer and the sureties shall be held responsible for all payments to be made under the lease and for the due fulfilment of all the conditions of the contract.

(2) A sample form of the agreement may be seen at any of the District Forest Offices.

11. The balance of the sale amount shall be paid in three equal instalments at intervals of four months as follows:—

First instalment on or before 1st November 1948.
Second instalment on or before 1st March 1949.
Third instalment on or before 1st July 1949,
or the next working day if 1st July 1949 is a General Holiday.

If a default occurs in the payment of any instalment or interest on the due date the contract shall immediately stand suspended and all produce collected and in storage during such period of suspension shall be forfeited to the Government. In spite of such suspension, if the instalments and interests overdue continue to remain unpaid for a period of one month, then the contract shall be cancelled and the right resold, the defaulter being liable for any deficit in the amount due to Government less the amount already paid. He shall have no claim on the surplus accruing from such resale, but shall be liable to the loss arising therefrom which shall be recovered as an arrear of land revenue, under Section 79 of the Mysore Forest Act or any other law for the time being in force. Interest at the rate in force for the time being will be levied on all arrears of lease amount which are permitted to be paid after the due date.

12. No concession of any kind will be shown to the contractor for loss on any account.

13. In the event of breach of any of these conditions, the lease will be cancelled or the security amount forfeited in whole or in part, or both these penalties will be enforced at the discretion of the Chief Conservator of Forests. In the case of mere forfeiture of the security deposit amount, the difference will be made good immediately by the contractor, and in the case of the cancellation of the lease, the right will be resold, the lessee not being entitled to moneys already paid by him or for the subsequent excess realisations by resale, the deficit, if any, that may result from such resale, being recovered from him as an arrear of land revenue.

14. Bidders are warned that no transfer or subletting of leases will be permitted.

OFFICE OF THE COMPILER, *MYSORE GAZETTE.*

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matters intended for publication in Parts I, II, III, IV, V and VI should therefore reach this office not later than *Monday Evening*, and that for Part II not later than *Tuesday Evening* for the following Thursday's issue of the Gazette. All matters received later than these days will be kept by for insertion in the following issue of the Gazette. (G. O. No. P. 988-1040—P. & S. 12-30-2, dated 26th July 1930.)

2. (i) Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its re-setting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect stating the number of copies should be made at foot of such manuscript.

(ii) Indents for less than 100 spare copies should not be sent to the Press, subject to the exceptions contained in G. O. No. G. 14330-95—P. & S. 5-19-9, dated 23rd December 1919, in regard to notices calling for tenders for the purchase of stores or for the execution of works. When a few copies only are required, they may be made available by the use of carbon sheets simultaneously with the preparation of a copy for the Gazette, as laid down in the above Government Order. (Letter No. G. 10382—P. & S. 9-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.)

(iii) When indents for an unusually large number of spare copies are sent, such instances will be brought to the notice of Government, as per letter No. G. 10382—P. & S. 99-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.

3. Matter sent for insertion in the Gazette will be published *only once* and the abstract in two issues. (G. O. No. G. 2915-6—P. & S. 44-25-2, dated 13th September 1926).

Such subscribers will please note that the Gazette cannot be had *in separate parts* at concession rates under any other conditions and that they have to pay the full subscription for the part or parts required.

N. B.—(1) The approximate quantity of wood to be prepared, assorted and carted is 350 tons which may be increased at the discretion of the District Forest Officer, Mysore Division, Mysore.

(ii) Carting includes weighing out the sandalwood intended for despatch, counting billets and loading them into carts, unloading the wood from the carts at the Factory for weighment.

3. The Chief Conservator of Forests, in Mysore, Bangalore, will be at liberty to accept or reject the lowest tender without assigning any reason therefor.

4. Within fifteen days from the date of intimation of the fact of approval, the successful tenderer shall furnish a security of Rs. 200 including the initial deposit referred to above in the shape of Mysore Government Savings Bank Account, duly pledged in favour of the District Forest Officer, Mysore Division, Mysore, and execute an agreement binding himself to observe the following conditions.

5. Separate rates should be quoted for preparation of billets, chiltas and roots.

6. For carting to the Sandalwood Oil Factory, rates should be quoted separately for billets, roots and chiltas.

7. Rates for weighing sandal and lotting at the time of stock-taking may also be quoted.

8. The contractor shall weigh out rough sandalwood issued for preparation and weigh out assorted sandalwood and store the same in the Koti shed without extra charges.

CONDITIONS.

(*a*) That the contractor shall be ever ready during the period of contract to employ as many of coolies who know how to work at sandal so as to turn out the allotted quantity every week, fortnight or month as may be assigned.

(*b*) That in case the contractor fails to employ the number of coolies required so as to turn out the allotted quantity of prepared wood at any time, the officer in charge of the Koti shall make his own arrangements for the preparation of wood by employing coolies, making the contractor liable to pay up the cost, even though it may happen to be extra. The contract will also be liable for cancellation at the discretion of the District Forest Officer on account of such default.

(*c*) The Koti preparation work will be commenced at 8 A.M. and continued till 6 P.M. every day with an interval of two hours from 12 NOON.

(*d*) The available tools in the Koti shall be spared for work and in case the number of coolies is more than that of tools available, the contractor should himself provide the extra tools required. That the rough wood to be given will be lot-war and until such lots once given are fully worked out and assorted, no further fresh lots will be given out for assortment.

N.B.—As a rule, rates are payable for the superior class of prepared wood and less for Milva-chilta. Hence, two different rates should be quoted in the tender, one for the out-turn of superior classes and the other for Milva-chilta, since the object aimed at is that greater care should be taken by the contractor to see that the Koti preparation work is conducted on principles of economy so as not to waste heart wood by conversion into chips. No charges are payable on the Milva-chilta if the out-turn of the same is 15 per cent in proportion to the total production of good wood.

(h) That in case of failure on his part to furnish the required number of carts at the required time, the Officer in-charge of the Koti may make his own arrangements for despatch of the wood, making the contractor liable to pay up the extra cost, if any, that may have to be incurred. The contract will also be liable for cancellation at the discretion of the District Forest Officer on account of such default.

(i) The loading and unloading business will be done so as not to give room for leakage or damage of sandalwood and that in either case the contractor will be liable to the department for the loss so sustained.

(j) That all the loaded carts will leave the Koti at the same time and move on in one batch, under the supervision of the departmental subordinates to be deputed to guard the consignment.

(k) That the cartmen do not smoke either in the Koti or while the sandalwood is under transit, and that in case of danger to the sandalwood by fire, the contractor will be liable to the department for damages.

(l) That his coolies and cartmen will submit to the disciplinary measures that may have to be enforced by the Koti Officer during the working hours.

(m) The bill for each month should be supported by the Koti certificates of check and of satisfactory execution of works. The bill for each month will be paid before the 5th of the succeeding month by the District Forest Officer, Mysore Division, Mysore, by means of cheques.

3. The Chief Conservator of Forests, in Mysore, Bangalore, will be at liberty to accept or reject the lowest tender without assigning any reason therefor.

4. Within fifteen days from the date of intimation of the fact of approval, the successful tenderer shall furnish a security of Rs. 200 including the initial deposit referred to above in the shape of Mysore Government Savings Bank Account, duly pledged in favour of the District Forest Officer, Mysore Division, Mysore, and execute an agreement binding himself to observe the following conditions.

5. Separate rates should be quoted for preparation of billets, chiltas and roots.

6. For carting to the Sandalwood Oil Factory, rates should be quoted separately for billets, roots and chiltas.

7. Rates for weighing sandal and lotting at the time of stock-taking may also be quoted.

8. The contractor shall weigh out rough sandalwood issued for preparation and weigh out assorted sandalwood and store the same in the Koti shed without extra charges.

CONDITIONS.

(a) That the contractor shall be ever ready during the period of contract to employ as many of coolies who know how to work at sandal so as to turn out the allotted quantity every week, fortnight or month as may be assigned.

(b) That in case the contractor fails to employ the number of coolies required so as to turn out the allotted quantity of prepared wood at any time, the officer in charge of the Koti shall make his own arrangements for the preparation of wood by employing coolies, making the contractor liable to pay up the cost, even though it may happen to be extra. The contract will also be liable for cancellation at the discretion of the District Forest Officer on account of such default.

(c) The Koti preparation work will be commenced at 8 A.M. and continued till 6 P.M. every day with an interval of two hours from 12 NOON.

(d) The available tools in the Koti shall be spared for work and in case the number of coolies is more than that of tools available, the contractor should himself provide the extra tools required. That the rough wood to be given will be lot-war and until such lots once given are fully worked out and assorted, no further fresh lots will be given out for assortment.

N.B.—As a rule, rates are payable for the superior class of prepared wood and less for Milva-chilta. Hence, two different rates should be quoted in the tender, one for the out-turn of superior classes and the other for Milva-chilta, since the object aimed at is that greater care should be taken by the contractor to see that the Koti preparation work is conducted on principles of economy so as not to waste heart wood by conversion into chips. No charges are payable on the Milva-chilta if the out-turn of the same is 15 per cent in proportion to the total production of good wood.

(h) That in case of failure on his part to furnish the required number of carts at the required time, the Officer in charge of the Koti may make his own arrangements for despatch of the wood, making the contractor liable to pay up the extra cost, if any, that may have to be incurred. The contract will also be liable for cancellation at the discretion of the District Forest Officer on account of such default.

(i) The loading and unloading business will be done so as not to give room for leakage or damage of sandalwood and that in either case the contractor will be liable to the department for the loss so sustained.

This involves considerable inconvenience to the Press and expense to Government. All matters intended for publication in Parts I, II, III, IV, V and VI should therefore reach this office not later than *Monday Evening*, and that for Part II not later than *Tuesday Evening* for the following Thursday's issue of the Gazette. All matters received later than these days will be kept by for insertion in the following issue of the Gazette. (G. O. No. P. 988-1040—P. & S. 12-30-2, dated 26th July 1930.)

2. (i) Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its re-setting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect stating the number of copies should be made at foot of such manuscript.

(ii) Indents for less than 100 spare copies should not be sent to the Press, subject to the exceptions contained in G. O. No. G. 14380-95—P. & S. 5-19-9, dated 23rd December 1919. in regard to notices calling for tenders for the purchase of stores or for the execution of works. When a few copies only are required, they may be made available by the use of carbon sheets simultaneously with the preparation of a copy for the Gazette, as laid down in the above Government Order. (Letter No. G. 10882—P. & S. 9-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.)

(iii) When indents for an unusually large number of spare copies are sent, such instances will be brought to the notice of Government, as per letter No. G. 10882—P. & S. 99-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.

3. Matter sent for insertion in the Gazette will be published *only once* and the abstract in two issues. (G. O. No. G. 2915-6—P. & S. 44-25-2, dated 13th September 1926).

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. As per G. O. No. E. 1892-1902—P. & S. 12-23-13, dated 8th December 1923, and G. O. No. 5139-95—P. & S. 52-30-1, dated 12th November 1930, the English or the Kanarese portion of the *Mysore Gazette*, consisting only of the five Parts, *viz.*, I, II, III Section 1, III Section 3, IV and V taken together or an entire copy of the English or Kanarese Gazette containing all the parts will be supplied only to Patels, Nad-Patels, Shanbhogs and Sheikdars within the State at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time or that he is on leave for a period not exceeding three years. Such subscribers will please note that the Gazette cannot be had *in separate parts* at concession rates under any other conditions and that they have to pay the full subscription for the part or parts required.

6. As Government Treasuries in Mysore are authorised to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such money should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than quarter sheet of foolscap will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

10. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.
